SYNOPSIS

(Mondays to Fridays from 7:00- 9:00 a.m.) The program hosted by Jorge Cuadrado together with Alejandra Bellini, Manuel Sánchez, Mariano Cardarelli, Roberto Battaglino, and Flor Medina gives the weather forecast. Airing every day from 7-9am. On the air for 16 years first thing in the morning. Today, it is an unavoidable reference in its time slot, having more than half of the total television audience. Its relaxed, entertaining and multi-voiced style are just some of its features, in addition to the services provided by the live mobile phone, the forecast and the last minute information.
